

## SIZING

**YOUR DESIGN VERONIQUE SUPPORT PRODUCT SHOULD PROVIDE YOU WITH A FEELING OF COMFORT AND STABILIZATION**

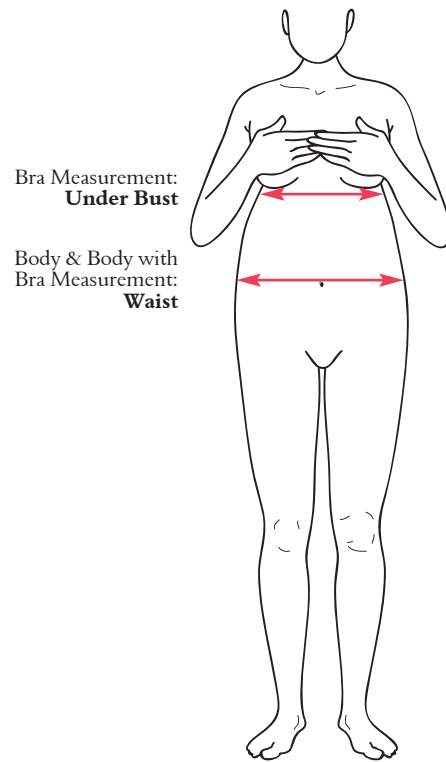

For Proper Fit:

- Shoulder straps can be adjusted or removed according to your personal comfort and height.
- Bra cups self-adjust and expand to accommodate breast size fluctuations.
- Under bust stabilizing band keeps bras and garments in position.
- Back hook and eye closures are adjustable to provide a personalized fit for your body.

### MEASURING INSTRUCTIONS

To ensure a proper fit, please have someone else take your measurements and avoid wearing bulky clothes.

Your feet should be hip width apart and your arms relaxed at your sides. We recommend using a soft measuring tape. Hold the tape level and firmly, but do not allow it to “dig” into your skin or clothing.
